## ❖ Radius search

The image displays a real estate search interface. On the left, a map of Zagreb, Croatia, is shown with a large red circle indicating a search radius centered on the city. Several property icons are visible on the map, including houses and office buildings. A red callout box with white text points to the search radius, stating "Search based on defined location radius".

On the right, a search filter panel is visible. It includes the following options:

- Type:** Radio buttons for "Sale", "Rent", and "Sale and Rent".
- Location:** A text input field containing "Zagreb".
- Radius:** A dropdown menu set to "50km".
- Size precise (m2):** A text input field containing "From (m2)".
- From date:** A text input field containing "From date".
- To date:** A text input field containing "To date".
- Sale price (\$):** Two text input fields, both containing "Sale price (\$)".

**Thank You!**
