What Is Reservo

Automated online booking & scheduling : fully customizable booking form with online payments, notifications, and Google Calendar sync.

Booking with Reservo

1 First step

The customers enter the web page containing a booking form, and on the first step, they choose a desired service and staff member, and also indicate their choice of appropriate weekdays and hours, if necessary.

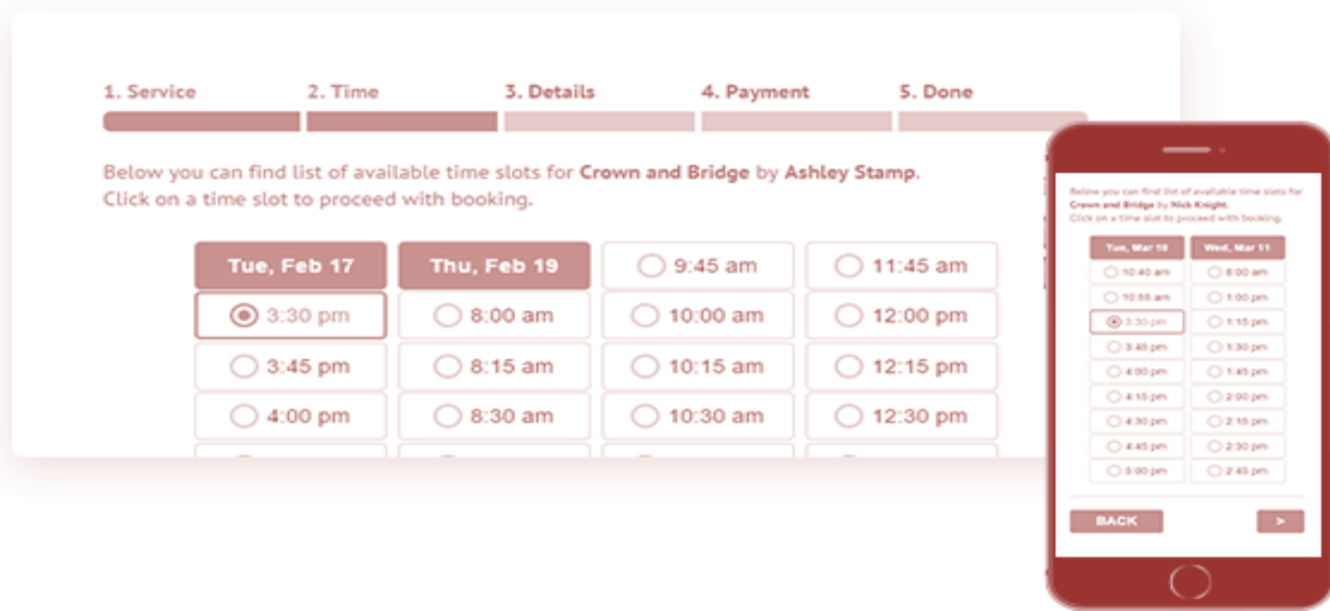

The image displays a mobile application interface for booking services. At the top, a progress bar indicates five steps: 1. Service, 2. Time, 3. Details, 4. Payment, and 5. Done. The first step, '1. Service', is currently active. Below the progress bar, the text 'select service:' is followed by three dropdown menus: 'Service' (set to 'Crown and Bridge'), 'Employee' (set to 'Ashley Stamp (\$350.00)'), and 'Available on or after' (set to 'February, 2015'). Below these, there are five radio buttons for days of the week: Mon, Tue, Wed, Thu, and Fri, all of which are selected. At the bottom, there are two dropdown menus for 'Start from' (set to '8:00 am') and 'Finish by' (set to '6:00 pm'). At the very bottom, there are two buttons: 'BACK' and 'NEXT'. A smartphone is shown in the foreground, displaying the same booking interface.

List of time slots

2

As the second step, the system offers a list of time slots available for booking. The customers can look through the list and find an appropriate time.

Booking with Reservo

3

Personal details

The customers then click on a slot with the desired time and move to the third step, which requires them to provide personal details. Site owner can add custom fields to this step.

The screenshot displays a booking interface with a progress bar at the top indicating five steps: 1. Service, 2. Time, 3. Details, 4. Payment, and 5. Done. Step 3, 'Details', is currently active. Below the progress bar, a message states: 'You selected to book Crown and Bridge by Nick Knight at 10:40 am on March 10, 2015. Price for the service is \$350.00. Please provide your details in the form below to proceed with booking.'

The form includes the following fields:

- Name:** David McClain
- Phone:** 1 123 960-90-60
- Email:** mcclain@mail.com
- Notes:** Lorem ipsum

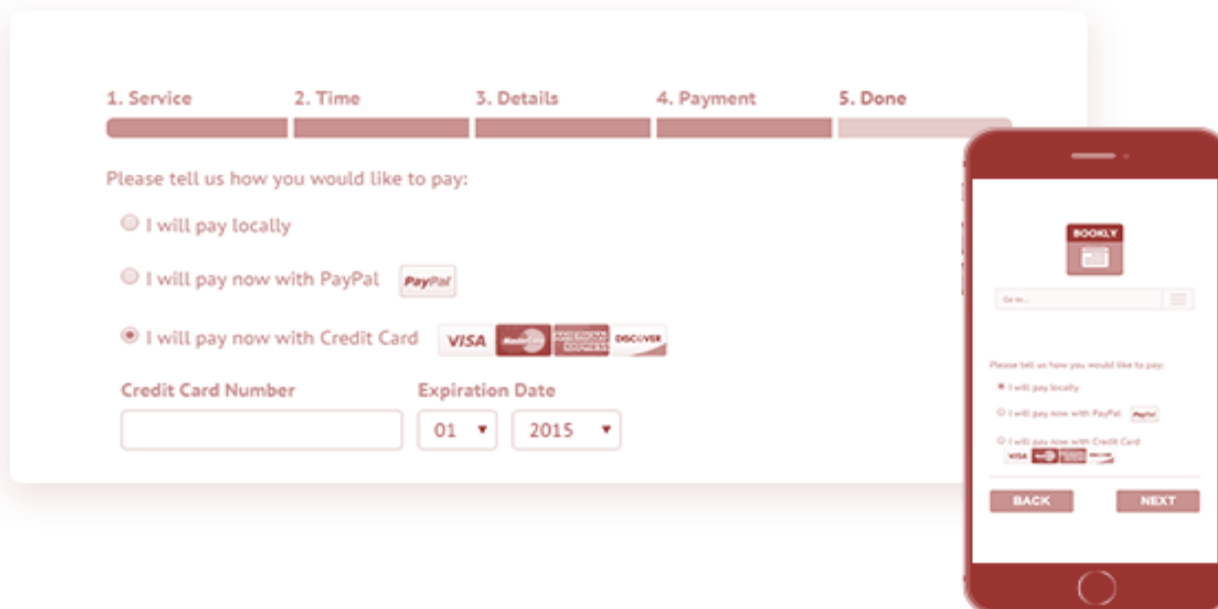

At the bottom of the form, there are 'BACK' and 'NEXT' buttons. A mobile phone interface is overlaid on the left side of the form, showing a similar layout with a search bar, the same booking message, and the form fields.

Booking with Reservo

Payment

4

On the fourth step the customers can apply a coupon and select a payment method. They can pay with PayPal or Credit Card. Also this step can be completely disabled for free services.

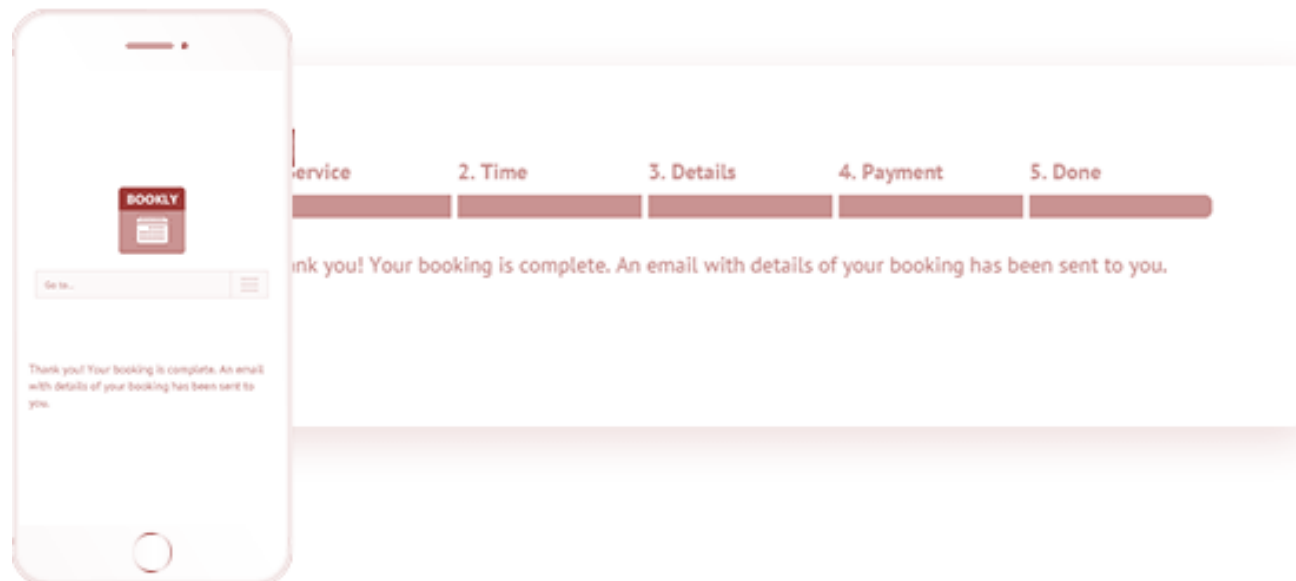

The image shows a desktop and mobile view of the Reservo payment interface. The desktop view features a progress bar at the top with five steps: 1. Service, 2. Time, 3. Details, 4. Payment (highlighted), and 5. Done. Below the progress bar, the text reads "Please tell us how you would like to pay:". There are three radio button options: "I will pay locally", "I will pay now with PayPal" (with a PayPal logo), and "I will pay now with Credit Card" (with logos for VISA, MasterCard, American Express, and Discover). Under the "Credit Card" option, there are two input fields: "Credit Card Number" and "Expiration Date". The "Expiration Date" field is split into two boxes, one for the month (01) and one for the year (2015). The mobile view shows the same interface on a smartphone, with a "BOOKLY" logo at the top and "BACK" and "NEXT" buttons at the bottom.

Booking with Reservo

5

Done

Upon the completion of the payment process, a message about the successful booking is displayed, and the customer receives an email with booking details.

Key-Features Of Reservo

✓ Rich Scheduling Capabilities
